

ELEVEN YEARS OF THE ARMENIAN REVIEW

AN INDEX

Compiled by SAMUEL RYDER

Samuel Ryder, who executed the tremendous task of compiling and preparing this comprehensive index of *THE ARMENIAN REVIEW* from the inaugural issue in 1948 to issue number 44, was born, raised and educated at Middleboro, Mass., and is currently studying at Boston University. Mr. Ryder last year became interested in Armenian affairs through association with a number of Armenian American colleagues. He is an enthusiastic supporter of the free Armenian movement, and unhesitatingly accepted our invitation to do this sorely-needed index, which he brought to a conclusion only after many weeks of laborious effort. This is the third index of the *Armenian Review*. The first appeared in Volume 20 (1952), the second, prepared by Dr. Vahe Sarafian, in Volume 31 (1955).
